

Cisco™ Webex Board Solutions

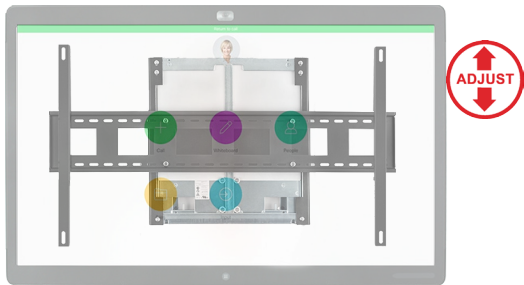

Furniture designed to enhance the interactive experience

Innovative design for ultimate collaboration.

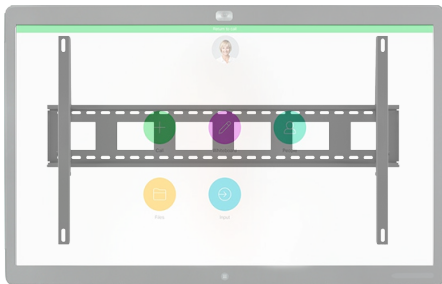

The Cisco Webex Board seamlessly integrates with AVTEQ's carts, stands and mounts for the ultimate interactive experience. Our solutions provide the flexibility to maximize your collaborative workspace within the office, classroom or other team environments.

WALL MOUNTS

DynamiQ™ 400 Wall Mount

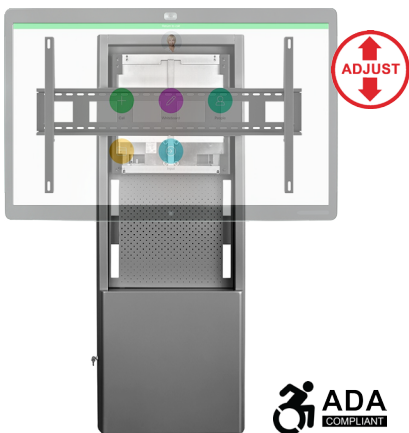

The height adjustable DynamiQ™ 400 wall mount supports the 55" and 70" Cisco Webex Board. The spring-weighted mount provides effortless vertical movement with a simple touch of the finger.

Cisco Webex Board Mounting Kit

The mounting kit easily installs on the wall, or it can replace the universal display mount on any AVTEQ cart or stand. The mounting kit supports the 55" and 70" Cisco Webex Board.

WALL STAND

DynamiQ™ Wall Stand

The height adjustable DynamiQ™ Wall Stand supports the 70" Cisco Webex Board. The spring technology mount requires no electricity and allows the display to move up or down with a simple touch of the finger.

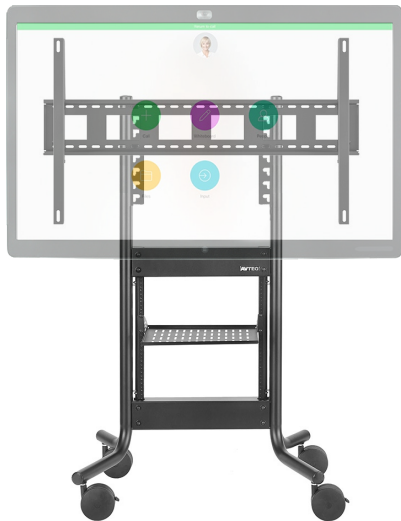

The DynamiQ Wall Stand is ADA compliant, making it an ideal solution for the classroom, library, training center or board room.

DynamiQ™ RPS-500

The height adjustable DynamiQ RPS-500 mobile display cart is an ideal solution for touch panel displays. The spring-weighted, height adjustable mount allows the Webex Board to easily glide up and down with a feather-light touch of the finger.

The DynamiQ RPS-500 supports both the 55” and 70” Webex Board providing a perfect collaborative experience.

RPS-500

The RPS-500 mobile display cart has sleek contemporary lines and supports the 55” and 70” Webex Board. The RPS-500 is an ideal choice for all-in-one interactive displays.

RPX

The RPX mobile display cart is designed for large interactive displays and supports the 70” Cisco Webex Board. The slim profile of the RPX allows for plenty of unobstructed access to the workable surface of the display making it perfect for interactive learning centers and collaborative work spaces.
