

3-Bay Credenza

Our fully customizable 3-Bay Credenza can house all your audio visual equipment and offers a unique integrated screen mounting system that eliminates wall-mounted displays. The credenza comes with a sliding/rotating equipment rack on one end and two bays with removable/adjustable shelves, or enough room for a mini fridge. The credenza is available in standard laminate (L) or veneer (V) finishes or can be customized to match existing furniture.

FEATURES

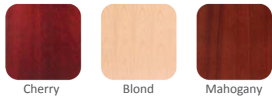

- Supports single display up to 103", dual displays up to 80"
- 12RU sliding, rotating rack
- Universal display mount
- Adjustable videoconferencing camera shelf
- Open back for ventilation
- 14-port rack-mounted surge protector
- Choice of laminate or veneer finish
- Available as steel frame only with accompanying CAD drawings for your local millworker to match existing woodwork

DIMENSIONS

Cabinet: 29"H x 79"W x 23 1/2"D
Rack Unit: 12RU
