

DynamiQ™ Desk Accessories

Height Adjustable Series

The DynamiQ™ Desk is a sit-to-stand, height-adjustable desk provides flexibility to the workplace. In addition to the power of the height adjustable features, the following accessories can be installed for a total work space solution.

Monitor Arm

The Monitor Arm for the DynamiQ™ height adjustable desk supports either a single or dual monitor. The arm rotates and tilts, allowing you to easily adjust to the fit to your working environment. The metal arm comes in a black powder-coat finish, cable management feature and mount in 75X75 and 100X100 VESA pattern.

Part Numbers: SMA (Single) | DMA (Dual)

CPU Arm

The optional rotating CPU Arm for the DynamiQ™ height adjustable desk supports CPU's up to 7" in width. The arm is mounted below the table and rotates for easy access.

Part Number: CPU-P

Keyboard Tray

The Keyboard Tray for the DynamiQ™ height adjustable desk is mounted under the table top with easy glide slides. The 25" W X 9" D black metal frame comes with an ergonomic wrist support.

Part Number: KT

Rack Mount Bracket

The optional Rack Mount Bracket for the DynamiQ™ height adjustable desk and table is an under-desk horizontal 2RU mount.

Part Number: RMB
