Cisco™ Spark Board Solutions

AVTEQ® offers a range of mobile carts, stands and mounts for the Cisco™ Spark Board. Our solutions provide the flexibility to maximize your collaborative experience within the office, classroom or other interactive environment.

Whether you are looking for mobility, adjustable height or ADA compliant options, AVTEQ has the solution for your Spark Board needs.
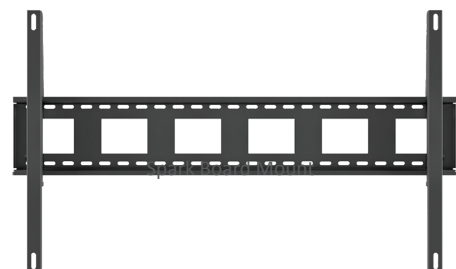

RPS-500

Mobile Carts

The DynamiQ™, RPS, ELT and RPX series of carts and stands are available with the integrated Spark Board mount. The DynamiQ® height adjustable series provides easy glide control with a feather-light touch. All carts and stands are 100% steel construction and available in custom powder coat finishes.

DynamiQ RPS-500   RPX

Mounts

The AVTEQ Cisco Spark Board Mounting Kit replaces the standard display mount on the RPS, ELT and RPX series of carts and stands.

The Spark Board mounting kit for the height adjustable DynamiQ mount includes an additional bracket for improved stability and support.
