

REVO-8 Shown
mounted in
AVTEQ RPS-1000LE

A Revolabs Collaboration

AVTEQ's Revolabs® Shelving System was designed in collaboration with Revolabs®, Inc to offer conferencing users valuable and space-saving options for equipment integration. Multiple configurations of the drawer are available allowing for various Revolabs microphone systems to be completely integrated into most AVTEQ carts or into any 19" rack space on other standard a/v equipment racks and cabinets.
