

# Universal Display Wall Mounts

## UM-1, UM-1T, UM-2 for single and dual displays

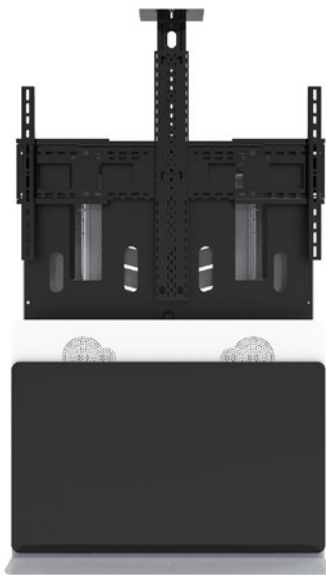

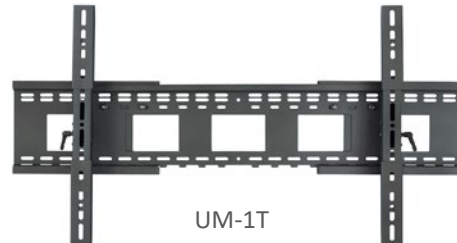

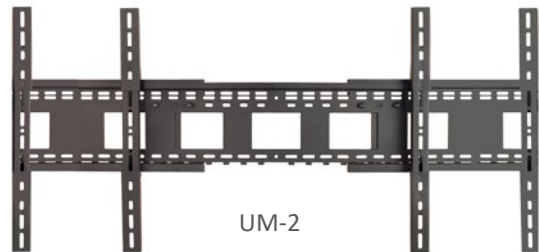

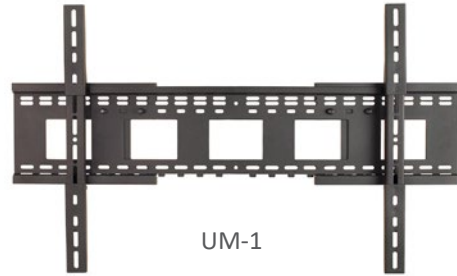

AVTEQ's UM-1 single display wall mount gives you the flexibility you need to securely wall mount single displays up to 98 inches. The UM-1 easily adjusts to support a single display from 45 to 98 inches. The UM-1 single display mount comes standard on AVTEQ's mobile carts, stands, and credenzas.

The UM-T single display tilting wall mount adjusts to support single displays up to 65 inches and a 400x400 VESA pattern. It provides a 15 degree tilting capability, allowing users to achieve the ideal viewing angle.

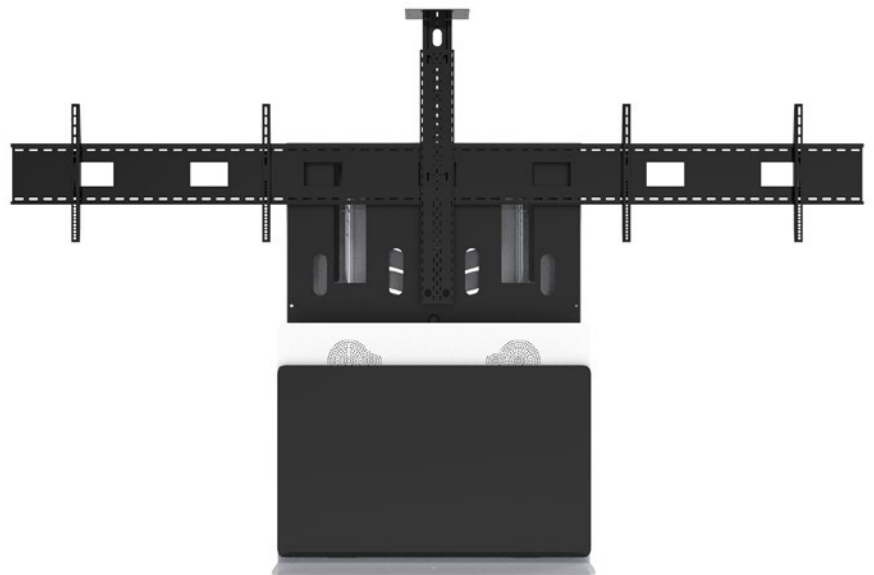

For dual displaying mounting, Avteq's UM-2 dual display wall mount adjusts to supports dual displays up to 82 inches.
