

TEAMhuddle™ Tables

TEAM Furniture Series

TEAMhuddle tables provide an inviting and functional area for informal team meetings, conference rooms and collaborative work spaces. The shapes of the TEAMhuddle table tops are designed to provide clear line of site of any mounted display for everyone sitting. Choosing either the bar height or height adjustable table legs provides maximum flexibility for comfortable seating. At the bar height level, team members are eye level with the presenter.

Select from a wide variety of quality laminate finishes or customize with select veneers to match your room design.
