

ELT-2100

The ELT-2100 is a versatile AV cart that can support a single display up to 80" or dual displays up to 70". This stylish mobile cart provides easy access to the internal rack space with the tempered glass door on the front of the cart or the panel at the back. The ELT-2100 supports larger displays, including the Microsoft Surface Hub, by adding an optional base and display mount.
