

Credenzas

Collaborative Furniture

Our made-to-order credenzas are fully customizable bringing style and elegance to any meeting space. Choose from a wide selection of laminates and custom veneers to match existing furniture or to bring new style to your space. Each credenza provides an integrated mounting system for single or dual displays and ample rack space to house all your technology needs.

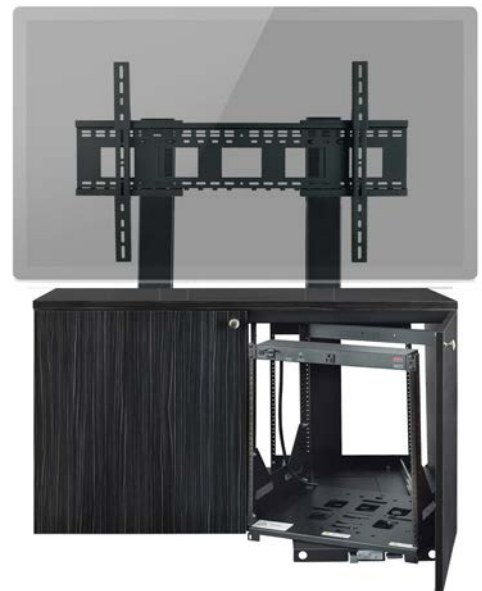

Standard Cabinets

The 2-Bay and 3-Bay Credenzas can house all your audio visual equipment and offers a display mounting system that eliminates wall-mounted displays. Our credenzas come with one sliding/rotating equipment rack and removable/adjustable shelves, which provide enough room for a mini fridge.

FEATURES

- 2-bay or 3-bay configuration
- Single (UM-1) or dual (UM-2) display mount
- 12RU sliding, rotating rack
- Adjustable videoconferencing camera shelf
- Open back for ventilation
- 9-port rack-mounted surge protector
- Round door pulls
- Choice of laminate or veneer finish
- Available as steel frame only

Narrow Profile Cabinets

The Thin 2-Bay and 3-Bay Credenzas have a narrow profile, providing easier access to touch panel displays. Each bay provides a sliding 3RU rack to house your audio visual equipment. The credenzas are anchored to the wall and include an integrated display mount that supports a single or dual displays.

FEATURES

- 2-bay or 3-bay configuration
- Single (UM-1) or dual (UM-2) display mount
- 3RU sliding racks for up to 9RU
- Adjustable videoconferencing camera shelf
- Open back for ventilation
- 9-port rack-mounted surge protector
- Round door pulls
- Choice of laminate or veneer finish
- Available as steel frame only
