

Thin Credenzas

AVTEQ's Thin 2-Bay and 3-Bay Credenzas have a narrow profile, providing easier access to touch panel displays. Each bay provides a sliding 3RU rack to house your audio visual equipment. The credenzas are anchored to the wall and include an integrated display mount that supports a single or dual displays.

Our credenzas are made to order with your choice of standard laminate (L) or veneer (V) finishes or can be customized to match existing furniture.

FEATURES

2-Bay Credenzas

- Supports single display up to 80", dual displays up to 60"
- Two 3RU sliding racks

3-Bay Credenzas

- Supports single display up to 80", dual displays up to 70"
- Three 3RU sliding racks

Standard Features

- Adjustable camera shelf positions camera above or below single display or centered between dual displays
- Open back for ventilation
- 9-port rack-mounted surge protector
- Round door pulls
- Choice of laminate or veneer finish
- Available as steel frame only

Credenza2-L-Thin

Credenza3-L-Thin

Display Mount
Supports single or dual displays

Camera Shelf
Height adjustable shelf positions camera above or below a single display or centered between dual displays. Supports most videoconferencing cameras.

Laminate and Veneer Finishes
Wide selection of standard and custom finishes

All Steel Frame
100% steel frame for durability and stability.

Rack Space
Each bay has a 3RU rack mount, which slides out for easy access.
