

DynamiQ™ Flex 400 Cart

The DynamiQ Flex 400 is a cost-effective and adaptable mobile display cart that provides fixed or height adjustable mounting solutions. This mobile cart is ideal for educational environments with a variety of users.

Fixed Height

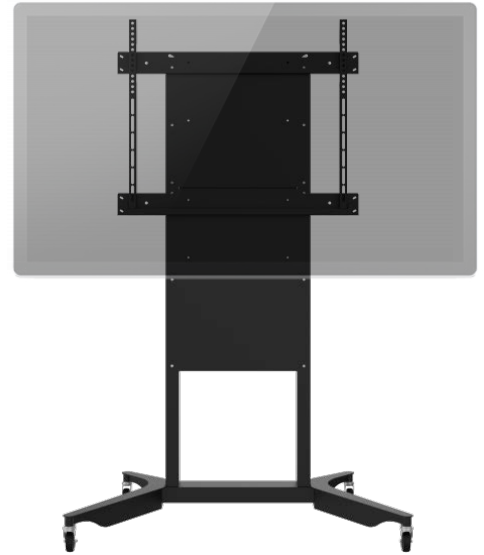

The DynamiQ Flex cart uses a universal VESA interface bracket, which may be installed at two different fixed heights. This allows K-12 schools to standardize on a mobile cart, and provides flexibility in mounting displays at different heights depending on the grade.

Height Adjustable with Easy Glide Mount

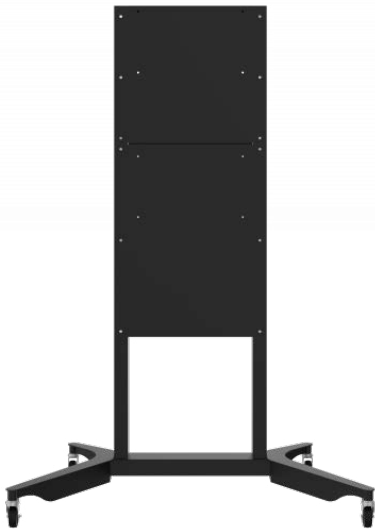

The DynamiQ Flex 400 cart includes the height adjustable DynamiQ 400 easily glides mount, allowing the display to easily move up and down with a slight touch. The height adjustable mount is ideal for interactive flat panels that encourage collaboration and hands-on participation.

FEATURES

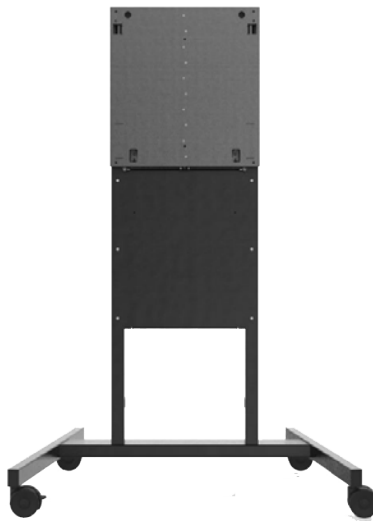

- Supports displays up to 86" diagonal
- Includes standard VESA bracket
- Two mounting positions for display
- Optional DynamiQ 400 height adjustable mount
- 4 " casters, 2 with brake
- Certifications CE, UL listed
