

# Cisco® Webex DX80 Mount Adapter for mobile stands

The Webex DX80 Mount for mobile stands makes it easy to take your team collaboration to new levels. The mounting bracket is designed specifically for the Cisco® Webex DX80. The mounting bracket offers a secure mounting solution for the 23" touch panel display. The Webex DX80 Mount is compatible with a standard 100×100 or 75×75 VESA mount.

With the growing need for telemedicine, the Webex DX80 and our TMP-200 telemedicine cart make a powerful solution for healthcare facilities. The small footprint of the TMP-200 paired with the collaborative features of the DX80 provide an ideal telemedicine solution.

See our Cisco® Webex Solutions for more information about our full line of Cisco-related products.
