

Logitech Rally Bar Mount

Single & Dual Display Mounting Kit

The Avteq Rally Bar mount bracket provides a secure installation of the Rally Bar above or below a display. The Rally Bar mounting kit is ideal to center the Rally Bar when using dual displays. The mounting bracket is designed to attach to the display mount providing additional flexibility with large-format displays.

The Rally Bar Mount includes a display adapter that supports small (32-55 inches), medium (60-75 inches), or large (80-90 inches) display sizes.

The Logitech Rally Bar Mount is compatible with Avteq display mounts, mobile stands and collaborative furniture.
