

DynamiQ RPS-500

Height-adjustable mobile cart with easy glide mount

The versatile DynamiQ RPS-500 offers the ideal height-adjustable capability for flexible work environments including classrooms, training rooms, and other collaborative workspaces. The easy glide mount uses spring-weighted technology that allows you to manually adjust the height of the display with a simple light touch.

The DynamiQ RPS-500 supports a single display up to 75" or 209 lbs. Custom mounts are available for the Cisco® Webex Board 55, Pro 55, 70 and Pro 75..
