

# Dual Large Format Display Mount

## Heavy duty mount for dual 82-98" displays

The Dual Large Format Display Mount is designed to support dual 82- to 98-inch\* displays. The heavy gauge steel ensures the mount does not bend from the weight of extra-large displays. The Dual Large Display mount is compatible with the following Avteq products:

- ELT-2000 floor stand
- ELT-2100 mobile cart
- 3-bay or large credenzas

\* For displays larger than 86 inches, please contact your Avteq sales representation to ensure compatibility

### FEATURES

- Supports dual display up to 86 inches
- Compatible with the ELT-2000, ELT-2100 and credenzas
- Mounting hardware included
- 100% solid steel construction
- TAA compliant
