

# RPS-200

## Fixed height mobile stand

The RPS-200 mobile stand is a light-weight and reliable display stand for today's video conferencing needs. The RPS-200 supports a single display up to 75 inches and is an affordable option for most collaborative environments.

Its light-weight design makes it easy to move around and its durable construction ensures that it can withstand the rigors of daily use. The universal display mount allows you to use it with a wide range of displays.

### FEATURES

- Supports single display up to 75 inches
- One adjustable height rack shelf
- Universal display mount
- 3 inch casters, two locking
- 100% solid steel construction
- Ships unassembled, palletized
