

RPS-800

Fixed height mobile cart

The RPS-800 is a mid-level AV cart that combines the small footprint of an entry-level cart with the vast feature-set you'd only expect from an executive level cart. It supports single displays up to 75 inches, dual displays up to 60 inches, and provides 9RU of internal audio visual storage space.

The RPS-800 cart is an affordable mobile solution for most video conferencing environments.

FEATURES

- Supports single or dual displays
