

# ELT-2000

## Fixed Height Floor Stand for Single and Dual Displays

The ELT-2000 AV floor stand is designed for large displays. It can support a single display up to 86" and dual display sizes 55-82" with a maximum height of 44". For 85-86" dual displays, the VMPU-100L-120 mount accessory is required. Larger displays, including the Microsoft Surface Hub, require an extended base to support the additional weight. The ELT-2000 is perfect for any videoconferencing or telepresence environment.

### FEATURES

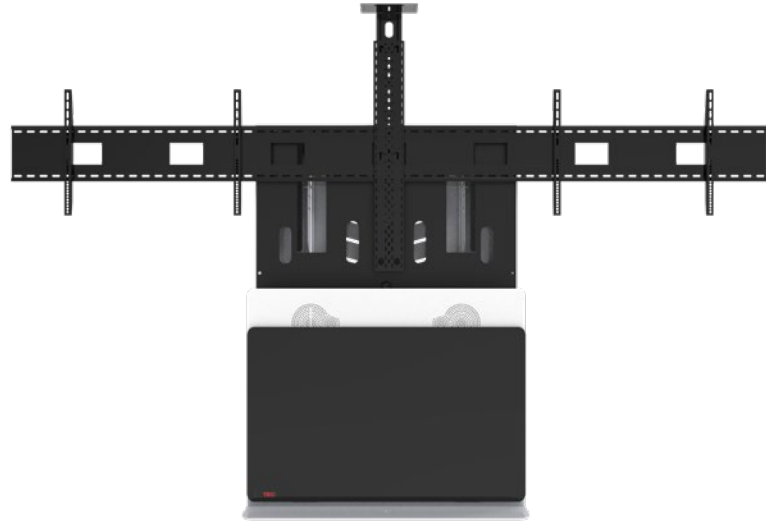

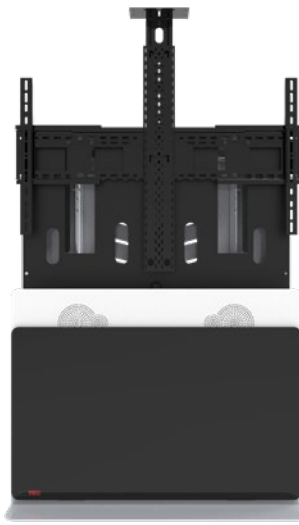

- 10RU within front slide-out drawer
- Powered speaker
- Universal display mount
- Adjustable camera shelf
- Locking front door
- 6-port surge protector
- One dual gang knockout
- Cable management features
- 100% solid steel construction

Optional base may be required for displays over 90".
