

# DynamiQ™ BalanceBox Flex 400 Cart for Cisco Boards

The DynamiQ Flex 400 is a cost-effective and adaptable mobile display cart that provides height adjustable mounting options. Equipped with smooth-rolling, lockable caster wheels, effortlessly move your Cisco Board anywhere, be it classrooms, conference rooms, or collaborative workspaces. The stand's robust construction guarantees stability, allowing for worry-free interaction even during dynamic presentations.

## Height Adjustable with Easy Glide Mount

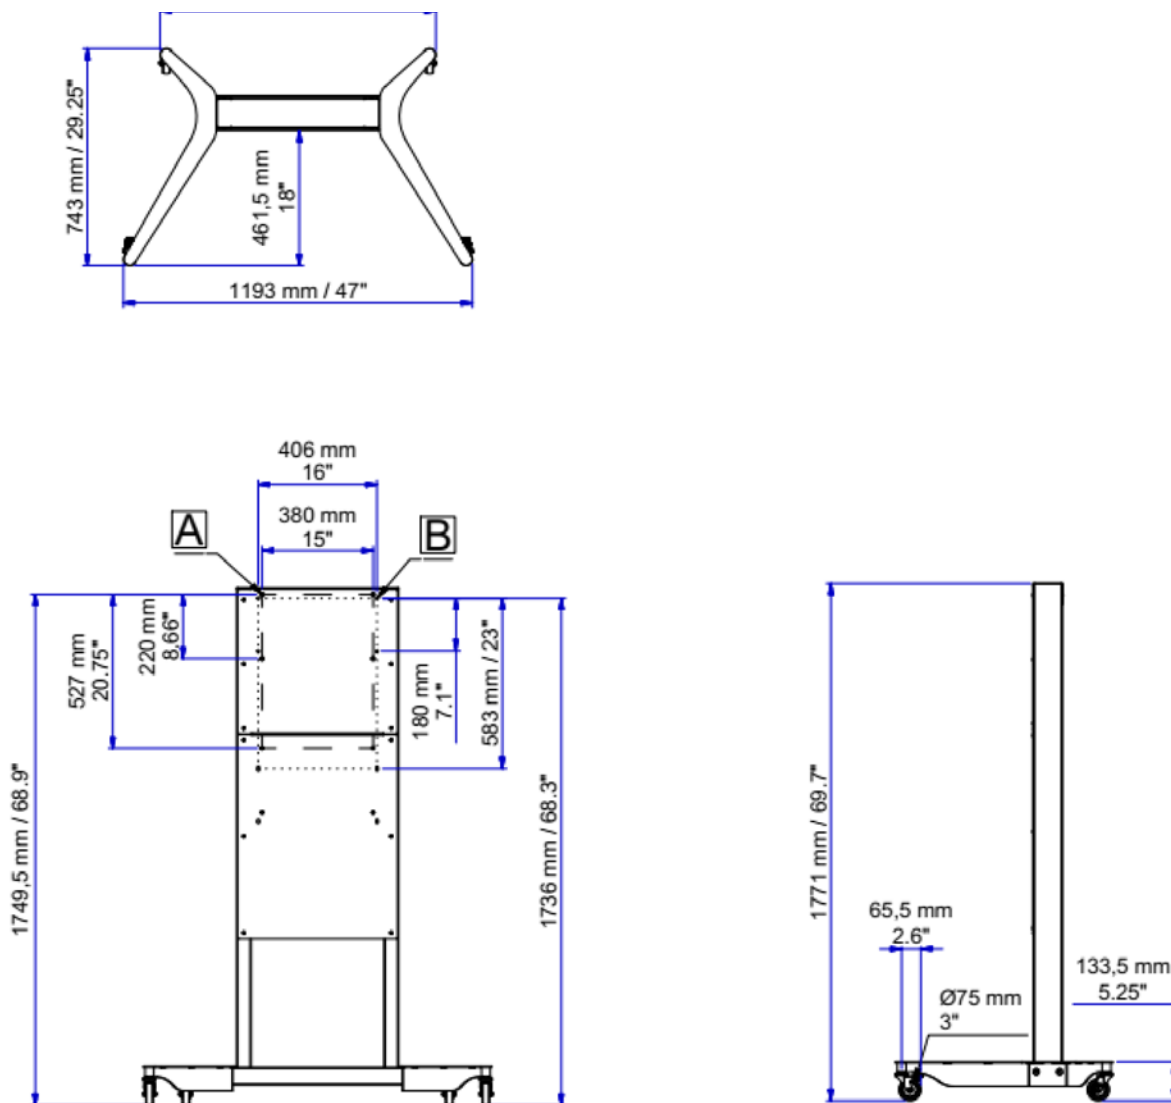

The DynamiQ Flex 400 cart for Cisco Boards includes the height adjustable DynamiQ 400 easily glides mount, allowing the display to easily move up and down with a slight touch. The height adjustable mount is ideal for Cisco Boards that encourage collaboration and hands-on participation.
